2.2.1. Policy on Student-Centric Methods and Integration of ICT Tools at Dr Ambedkar College of Arts and Commerce, Yerawada, Pune

Introduction:

Dr. Ambedkar College of Arts and Commerce, Yerawada, Pune, affiliated with Savitribai Phule Pune University, is committed to providing an enriched learning environment through student-centric methods and integrating Information and Communication Technology (ICT) tools. This policy aims to outline and reinforce the college's pedagogical approach to enhance learning experiences for students across diverse programs, including B.A., B.Com., M.A., and M.Com.

Student-Centric Methods:

- The college recognizes the diversity in learning styles and preferences among students.
- Emphasis on student-centric methods, including experiential learning, participative learning, and problem-solving methodologies.
- Traditional teaching methods, such as the chalk-and-talk approach, are complemented by more dynamic approaches to cater to varied learning needs.

Program-Specific Approaches:

- The B.A. and M.A. programs employ the chalk-and-talk method, acknowledging its effectiveness in specific contexts.
- The B.Com. and M.Com. Programs adopt a dynamic approach, integrating experiential, participative, and problem-solving learning methods alongside the traditional approach.
- Specific subjects like accounting, auditing and taxation, and management accounting emphasize real-world application and critical thinking.

Hands-On Learning Experiences:

- Specific programs include compulsory project work and field visits to provide practical insights beyond theoretical knowledge.

- Experiential, participative, and problem-solving learning methods are strategically employed in these contexts to maximize educational impact.

Choice-Based Credit System (CBCS):

- Under CBCS, small group activities and participative learning methods are implemented across B.A., B.Com., M.A., and M.Com. Programs.
- The collaborative approach aligns with contemporary educational trends, emphasizing peer interaction and cooperative learning.

Integration of ICT Tools:

- The teachers leverage ICT tools in teaching methods, including multimedia resources such as PowerPoint presentations, mobile devices, computers, laptops, LCD projectors, CDs, videos, and platforms like YouTube.
- This progressive approach enhances interactivity and engagement, aligning with the preferences of the digital-native generation.

Continuous Improvement:

- Regular feedback mechanisms will be established to assess the effectiveness of student-centric methods and ICT tool integration.
- Periodic reviews will be conducted to align teaching practices with emerging educational trends and technological advancements.
