2.6.1. Policy on Program Outcomes (PO) and Course Outcomes (CO) at Dr Ambedkar College of Arts and Commerce, Yerwada, Pune

Introduction:

Dr. Ambedkar College of Arts and Commerce, Yerwada, Pune, affiliated with Savitribai Phule Pune University, is dedicated to delivering quality education through a commitment to defining, disseminating, and evaluating Program Outcomes (PO) and Course Outcomes (CO). This policy aims to articulate the principles and practices governing the establishment, communication, and evaluation of educational objectives for all programs offered at the college.

Collaborative Curriculum Design:

- The university, in collaboration with affiliated colleges, including Dr Ambedkar College, designs comprehensive and up-to-date course curricula in the respective subjects through the Board of Studies.
- Subject experts actively contribute to curriculum design, ensuring alignment with academic standards and practical field realities.

Program Outcomes Determination:

- Program Outcomes (POs) are outcomes of collaborative efforts, with teachers actively defining overarching goals for each program.
- POs are grounded in theoretical aspirations and the respective fields' practical and academic realities.

Periodic Curriculum Reviews:

- Periodic reviews of curricula by the university are conducted to maintain relevance and effectiveness.
- The cyclical nature of these reviews allows for adjustments based on advancements in the field, stakeholder feedback, and evolving academic standards.

Transparent Dissemination:

- Revised curricula, including POs and COs, are openly circulated among affiliated colleges and available on the university's website.
- Dr. Ambedkar College actively participates in this dissemination process by uploading POs and COs on its website, promoting transparency and accessibility.

Integration into Induction Programs:

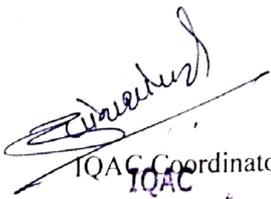

- POs and COs are integrated into the induction program, especially during the freshers' party, emphasizing effective communication of educational objectives to students.
- Key figures such as the principal, head, and activity head play a role in summarizing POs and COs, making educational objectives more relatable to students.

Emphasis on Evaluation:

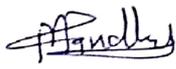

- Regular evaluations of educational objectives are conducted to ensure adaptability to changing academic and societal needs.
- Frequent evaluations identify areas for improvement, contributing to a continuous cycle of enhancement in educational quality.

Continuous Improvement:

- Regular feedback mechanisms are established to assess the effectiveness of POs and COs.
- Periodic reviews are conducted to align practices with emerging educational trends and address evolving needs in educational objectives.
